2019 PINOT NOIR **RESERVE** PETALUMA GAP – GRIFFIN'S LAIR VINEYARD SONOMA COUNTY

Tin Barn Vineyards celebrates those hidden treasures that lie off the map. Our wines highlight the true character of Sonoma County.

High atop the ridges of the Sonoma Coast, just off Tin Barn Road, lies a remote plot of Syrah vines. From this fog enshrouded slope, we sourced grapes for our very first wine and found inspiration for our name. That was back in 2000.

In the years since, winemaker Michael Lancaster and his business partners have made a fitting home in our own “tin barn” – a warehouse in rural Sonoma that serves as both cellar space and tasting room. Here, we craft and share our award winning, single-vineyard wines that are cherished for their uncommon balance and elegance. Our tasting room offers guests a relaxed and unpretentious window into our winemaking process. Come visit!

Griffin's Lair, family owned and sustainably farmed, embodies the qualities that make the Petaluma Gap AVA an ideal region for growing Pinot Noir. The cool, foggy mornings followed by warm, breezy afternoons, produce a well-integrated, fruit forward wine that entices the palate with balanced acidity and alluring structure.
