2020 PINOT GRIS CARNEROS AVA SONOMA COUNTY

Tin Barn Vineyards celebrates those hidden treasures that lie off the map. Our wines highlight the true character of Sonoma County.

High atop the ridges of the Sonoma Coast, just off Tin Barn Road, lies a remote plot of Syrah vines. From this fog enshrouded slope, we sourced grapes for our very first wine and found inspiration for our name. That was back in 2000. In the years since, winemaker Michael Lancaster and his business partners have made a fitting home in our own “tin barn” – a warehouse in rural Sonoma that serves as both cellar space and tasting room. Here, we craft and share our award winning, single-vineyard wines that are cherished for their uncommon balance and elegance. Our tasting room offers guests a relaxed and unpretentious window into our winemaking process. Come visit!

In 2020, we had a unique opportunity to play with some premium Pinot Gris from the vineyard that borders the winery. The Carneros AVA, thanks to the influence of the San Pablo Bay, creates ideal conditions for growing cooler climate varietals like Pinot Gris. To preserve varietal characteristics, this wine was fermented and aged in a concrete egg, providing balanced softness and elegant citrus and stone fruit notes.
