

2023 ZINFANDEL MOON MOUNTAIN - LOS CHAMIZAL VINEYARD SONOMA COUNTY

Tin Barn Vineyards celebrates those hidden treasures that lie off the map. Our wines highlight the true character of Sonoma County.

High atop the ridges of the Sonoma Coast, just off Tin Barn Road, lies a remote plot of Syrah vines. From this fog enshrouded slope, we sourced grapes for our very first wine and found inspiration for our name. That was back in 2000.

In the years since, winemaker Michael Lancaster and his business partners have made a fitting home in our own “tin barn” – a warehouse in rural Sonoma that serves as both cellar space and tasting room. Here, we craft and share our award winning, single-vineyard wines that are cherished for their uncommon balance and elegance. Our tasting room offers guests a relaxed and unpretentious window into our winemaking process. Come visit us sometime!

Los Chamizal vineyard is located in the Moon Mountain district of Sonoma County. Farmed by Peter Haywood for decades, this rocky hillside terraced vineyard nestled in the Mayacamas Mountains has produced award winning Zinfandels. This vintage features the Monte Rosso Clone of Zinfandel that showcases the elegance of the fruit.
