2013 SYRAH · SONOMA COAST CORYELLE FIELDS

Tin Barn Vineyards celebrates those hidden treasures that lie off the map. Our wines highlight the true character of Sonoma County.

High atop the ridges of the Sonoma Coast, just off Tin Barn Road, lies a remote plot of Syrah vines. From this fog enshrouded slope, we sourced grapes for our very first wine and derived inspiration for our name.

In the years since, winemaker Michael Lancaster and his business partners have made a fitting home in our own "tin barn"—a warehouse in rural Sonoma that serves as both cellar space and tasting room. Here, we've joined with fellow artisan winemakers to form the collective known as Eighth Street Wineries.

Come visit sometime! Remember, though, that a map will only get you so far.

Our cool climate Syrah comes from the coastal hills east of Jenner, in a remote vineyard on our namesake Tin Barn Road. Sourced from a rocky hillside block just at the fog line (elevation 1000 feet) the fruit ripens slowly in the coastal air. As a result, this wine imparts a distinctive earthiness that is characteristic of Northern Rhône Syrah. The 2013 vintage features hints of smoky bacon, leather, and blackberry, creating a perfect complement to roasted vegetables or wild game.
