## 2014 SYRAH – SONOMA COAST SONOMA COUNTY – CORYELLE FIELDS

Tin Barn Vineyards celebrates those hidden treasures that lie off the map. Our wines highlight the true character of Sonoma County.

High atop the ridges of the Sonoma Coast, just off Tin Barn Road, lies a remote plot of Syrah vines. From this fog enshrouded slope, we sourced grapes for our very first wine and found inspiration for our name. That was back in 2000.

In the years since, winemaker Michael Lancaster and his business partners have made a fitting home in our own “tin barn” – a warehouse in rural Sonoma that serves as both cellar space and tasting room. Here, we craft and share our award winning, single-vineyard wines that are cherished for their uncommon balance and elegance. Our tasting room offers guests a relaxed and unpretentious window into our winemaking process. Come visit sometime!

Our cool climate Syrah comes from the coastal hills east of Jenner, in a remote vineyard near our namesake Tin Barn Road. Sourced from a rocky hillside block just at the fog line (elevation 1000 feet) the fruit ripens slowly in the coastal air. As a result, this wine imparts a distinctive earthiness that is characteristic of Northern Rhône Syrah. The 2014 vintage features hints of smoky bacon, leather, and blackberry, creating a perfect complement to roasted vegetables or wild game.
